## Chamber Announces 2017 Scholarship Winner

The Waynesburg Area Chamber of Commerce Scholarship Fund Committee has announced that the 27th annual scholarship will be awarded to Jeromy Mackey of Waynesburg. Jeromy is a Senior at Waynesburg Central High School. Eighteen year old Jeromy plans to attend California University to pursue a degree in Secondary English Education. Jeromy is the son of Bradley and Kelly Mackey of Waynesburg.

This scholarship, the twenty-seventh for the Chamber, is presented each year to a Greene County senior who plans to attend a college, university or trade school. The scholar-

ship is awarded based on grade point average and a 500 word essay. Jeromy will be presented with the scholarship at the Chamber's May General Membership Networking Luncheon set for Wednesday, May 24<sup>th</sup> at Waynesburg University's Benedum Dining Hall. In addition to the scholarship, Jeromy will also receive a laptop courtesy of Pcsquared.

This year, thirty-one applications for the scholarship were received by the Chamber. The committee had a difficult task of selecting one winner from the qualified field. The Chamber of Commerce would like to thank all who participated in the process.

### Chairman Retires from First Federal of Greene County's Board

Scott S. O'Neil, Chairman of the Board of Directors of First Federal of Greene County, recently announced his retirement from the Board. At its March 27 meeting, the Board accepted O'Neil's resignation as Chairman and elected John E. Mariner as Chairman. With his retirement from the

Board, O'Neil caps a career of nearly 50 years as an employee or officer of First Federal, including 17 years as President/CEO and 11 years as Board Chairman.

Born in Point Marion, O'Neil graduated from Albert Gallatin High School before serving a one-year tour in Vietnam with the U.S. Army. He graduated from Waynesburg College in 1969, and that August began working at First Federal as an assistant secretary. O'Neil worked his way through the ranks of the Association, later becoming Vice President and Executive Vice

President. In December 1990, O'Neil was first appointed to the Board, then was named President/CEO in January 1991. After 39 years of service, O'Neil retired in July 2008 as President/CEO of First Federal. He continued to serve as Chairman of the Board, a position he had held since February 2006 upon the retirement of his predecessor, James L. Brewer.

In 1969, when O'Neil was first hired, First Federal of Greene County had assets of \$61 million; 48 years later, as O'Neil retires from the Board, the Association's assets are almost \$900 million.

"What an outstanding career of 50 years for Scott," Mariner said. "It was his sincere belief to 'always do the very, very best he could possibly do,' whatever the moment. It was this determination and dedication that will be truly missed by all."

President/CEO Judi Goodwin Tanner also expressed sadness due to O'Neil's retirement from the Board and his resignation as Chairman, but knows that he is just a short visit away, as he continues to make his home in the Waynesburg community.

### Construction is Underway for the EQT REC Center

Construction of the EQT REC Center is underway! Beginning in the fall of 2016, the 60,000 square-foot building is expected to be complete later this year.

The Greene County Memorial Hospital Foundation is constructing the \$8 million facility. The foundation's mission is to fund programs to improve the health and well-being of Greene County residents. The nonprofit organization began in 2005 with the proceeds of the sale of the former Greene County Memorial Hospital Foundation.

The EQT Recreation Education Community (REC) Center will include a 2,600-square-foot soccer field, a regulation sized basketball court, an elevated walking/running track, and a fitness center. There will also be a child-care room, three community rooms that can be used

for educational or exercise programs or combined to hold events for up to 200 people, two party rooms, a game room and conference room.

The foundation is using its own funds, along with money raised through sponsorships and donations to construct the new center. So far, \$1.9 million has been raised for the project. The EQT REC Center is located at EverGreene Technology Park in Waynesburg

## Waynesburg University President Receives Top Executive Award

Waynesburg University President Douglas G. Lee has been selected as a recipient of the Pittsburgh Business Times' 2017 Outstanding CEO and Top Executive Award.

The 2017 Outstanding CEOs and Top Executives Awards honor Western Pennsylvania's outstanding business leaders. The

winners include CEOs and company presidents at both nonprofit and for-profit organizations in the Pittsburgh region. Those chosen for the honor demonstrates vital leadership and customer service philosophy, outstanding employee relationships, contributions to the community and evidence that they have shaped their company's products or services to help lead their business to success.

Under Lee's leadership, Waynesburg University has received national attention for the economic outcomes of its graduates. Studies published by The Brookings Institution, The Economist, USA Today and MONEY Magazine

have placed Waynesburg University in the top 10 percent nationwide for this type of category. In September 2016, Waynesburg University was ranked No. 7 in U.S. News & World Report's "Best Value School for the North" ranking.

Also under Lee's leadership, the University has been recognized regionally by the Pittsburgh Business Times as a Best Place to Work for 2015 and internationally as one of the most beautiful Christian college campuses in the world. In March 2015, the Middle States Commission on Higher Education (MSCHE) awarded Waynesburg University reaccreditation for a ten-year period, and in September 2015, the University was awarded Imani Christian Academy's 2015 Leadership in Service Education Award. The University has also been named to the President's Higher Education Community Service Honor Roll for eight consecutive years.

Currently, Lee is serving as the Chair of the Presidents' Athletic Conference Presidents' Council and on the Board of Directors for the Association of Independent Colleges & Universities of Pennsylvania.

## Community Garden Coming to Corner Cupboard Food Bank

Something new and exciting is growing at the Corner Cupboard Food Bank (CCFB). The team at CCFB is working on developing a community garden to help support those in need.

Executive Director, Candace Tustin inspired to incorporate the practices praised by many greening and community garden organizations to promote education and skills for producing food in urban settings. Studies have proven that being able to raise some of the food they need for their families can improve their economic status, provide healthier diet choices, and perhaps most importantly, instill a sense of achievement and community.

What was a plot of vacant land between the food bank and county jail is now destined to provide for the growth of food - and the growth of confidence - as a community garden. Raised

bed plant boxes are being built and garden fencing erected. The materials, supplies and labor used for the initial establishment of the garden have been provided by sponsors of this project including Wayne Lumber,

McCracken Pharmacy, Waynesburg Milling, and Noble Energy. Service Day contributors have included Waynesburg University students, church youth groups, Rolling Meadows Church of God, and Daisy Girl Scout Troupe #52914. Even plans for a picnic table were scooped up and a table built by one of Candace's volunteer groups.

A constant need for sponsors and volunteers always needed at the CCFB. Get your business or organization together to dig your hands in the dirt, head-up a project or sponsor an activity.
