Annual Chamber Golf Outing - May 18th

The Chamber's Annual Golf Outing is May 18th at Greene County Country Club. Space is limited - Reserve your spot now for a foursome... only two remain!

There are still sponsorship opportunities available and we are still accepting items for the Chinese Auction. Check out all the Golf Outing details in the attached brochure.

Chamber Announces Chamber Scholarship Winners

The Greene County Chamber of Commerce Scholarship Fund Committee has announced that the 28th annual scholarship will be awarded to Aubree A. Ferek of Carmichaels. Aubree is a graduating senior at Carmichaels Area High School. Seventeen year old Aubree plans to attend Slippery Rock University to pursue a degree in Exercise Science/Pre-Physician Assistant Program. She is the daughter of Ron and Brenda Ferek of Carmichaels.

This scholarship, the twenty-eighth for the Chamber, is presented each year to a Greene County senior who plans to attend a college, university or trade school. The scholarship is awarded based on grade point average and an essay. In addition to the scholarship, Aubree will also receive a laptop courtesy of John Frownfelter, owner of PCsquared to use during her college career.

The Chamber also announced that it will award the first “Dr. Nancy I. Davis Memorial Leadership Scholarship” to Matthew P. Komula of Rices Landing. Matthew is employed by the Trinity Area School District and is a 1992 graduate of Duquesne University and a 2009 graduate of the University of Phoenix. He is currently enrolled at Kent State University seeking his Master of Music, Music Education degree.

The scholarship was established to honor the memory of Dr. Nancy I. Davis who was an educator and advocate for education. In 2016 and 2017, the annual GreeneScene Road Rally, presented exclusively by Fox Ford of Waynesburg, raised funds for the scholarship awards. Applicants were required to submit a narrative on how they have demonstrated leadership in education and a list of their local community involvement. The program is open to any Greene County resident who is enrolled or

accepted in an undergrad or grad program.

The scholarships will be presented at the May General Membership Networking Luncheon set for Wednesday, May 30th at Waynesburg University’s Benedum Dining Hall. This year, thirty-three applications for the Educational Fund scholarship and thirty-six for the Dr. Nancy Davis scholarship were received. The committee had a difficult task of selecting the winners from the qualified field candidates. The Chamber of Commerce would like to thank all who participated in the process.

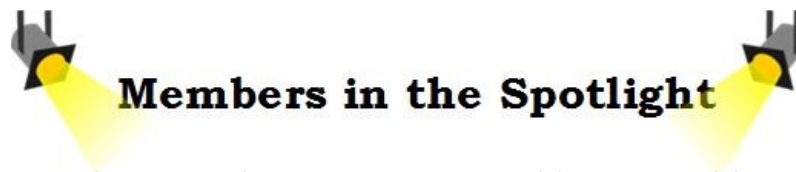

\$1,850 in Gift Cards for Back to School Raffle

The Chamber’s Fund Raising Committee is selling a raffle ticket for a chance to win \$1,850 in gift cards for Back to School. The winning number will be taken from the first official 7:00 pm PA Pick 3 Daily on Friday, August 3, 2018. Tickets are just a \$10 donation and include two numbers.

If you would like to purchase a ticket or would be willing to help sell by taking a book of ten tickets, please get in touch with the office. The proceeds from the ticket will help the Chamber continue its program of work.

**Thank you to our ticket sponsor, Time Savers, Inc.
and all that made a donation!**

New Long Term Substance Abuse Treatment Program

WASHINGTON HEALTH SYSTEM Greene

Washington Health System through its wholly owned subsidiary Greenbriar Treatment Center provides inpatient, outpatient, residential, and half-way house treatment programs for persons with chemical dependency. Washington Health System also provides in-patient and outpatient behavioral health services at its hospitals in Waynesburg at WHS Greene and in Washington at WHS Washington Hospital. Washington Health System, including Greenbriar Treatment Center, has taken an active role to address the opioid crisis by partnering with community organizations, elected officials, the Washington County Drug and Alcohol Commission and county task forces in both Greene and Washington County. Efforts have included physician education, promoting standardized pain management protocols and adopting prescribing standards aimed at reducing the opioid crisis.

After a thorough review of its addiction services and other behavioral health services, Washington Health System plans to take the following additional steps to help further combat the opioid crisis and meet the behavioral health needs the residents of Greene and Washington Counties.

- Greenbriar Treatment Center will establish a long-term residential treatment program (3C program) for persons undergoing treatment for chemical dependency. It will be the first of its kind in Southwestern Pennsylvania. This program will accept patients from across the region but priority will be given to the residents of Greene and Washington Counties. This 3C program will treat patients in a supervised environment for up to 100 days in order to promote adjustment to new life skills. Funding of the program is subject to discussions with managed care payors in the region.
- Greenbriar's 3C program will be located in the space at WHS Greene currently occupied by the inpatient behavioral health unit.

Washington Health System is investing \$250,000 to make renovations and improvements to the facility to accommodate the 28 bed program.

- Inpatient behavioral health services will be provided by the Washington Hospital behavioral health unit, which will give priority to patients of Greene and Washington Counties.
- Outpatient behavioral health services will continue to be provided Washington Health System in Waynesburg under the supervision of Richard Ajayi MD.
- Dr. Ajayi and Drs. Oscar Urrea and Camilla Aponte, will be the physicians attending to patients in the Washington Hospital behavioral health unit.
- Medical supervision of the new 3C program will be by Greenbriar Treatment Center Medical Director John Six, MD.

For more information regarding the 3C Program contact Mary Banaszak, CEO of Greenbriar Treatment Center by calling 724-225-9700 or email mbanaszak@greenrbriar.net.

University and EQT dedicate Waynesburg Unity Trail

Waynesburg University, in conjunction with the EQT Foundation, hosted a dedication ceremony for the Waynesburg Unity Trail Wednesday, April 25. Completed in 2017, the trail project was funded through a \$20,000 grant from the EQT Foundation, the philanthropic arm of EQT Corporation.

A dedication sign at the beginning of the trail reads, "Built by the students of Waynesburg University to promote creation care and cooperation with the Borough of Waynesburg."

The Waynesburg Unity Trail consists of approximately 2 square miles, including 1.5 miles of walking trails and wooded areas that will be preserved for student research and environmental restoration.

The University's goal is for the trail to be a safe place for students to learn, research and spend time with nature, while also offering the greater Waynesburg community the opportunity to enjoy and appreciate nature in an urban setting.

Rumbaugh Back in Action Chiropractic

At Rumbaugh Back In Action Chiropractic, we are passionate about helping as many people as possible achieve true health and wellness. We know that chiropractic care cannot only help alleviate physical pain, but it can also allow a person maintain wellness. Chiropractic

is the beginning of true health care – not just sick care.

Dr. Rumbaugh and Dr. McCort have been serving Greene County and surrounding areas for 30 years. We are a community based practice that understands your needs with a friendly staff and convenient office hours to accommodate your busy schedule.

Dr. Rumbaugh is a 2nd generation chiropractor. In addition to his father, he has 3 siblings, one nephew and 5 cousins/uncles that are chiropractors. “I grew up with chiropractic and experienced firsthand the many benefits that could be achieved by chiropractic care. I knew I wanted to be a hands-on health care provider and Chiropractic fit the mold for me. It provided me with the opportunity to treat patients naturally, to help them feel better and return to their normal activities. I enjoy the diversity of treating patients of all ability levels and helping them achieve their goals”.

Dr. McCort grew up in Greene County and attended Jefferson-Morgan High School. “I am continually updating my education to learn new techniques and expand my ability to more efficiently treat my patients. I love my job and feel very fortunate to be able to provide quality Chiropractic Care and help people get better faster”.

Our office is also FMCSA certified to do CDL Exams, DOT and Non-DOT drug screens, breath alcohol tests, learner’s permits and school bus physicals.

Rumbaugh Back In Action Chiropractic is open Monday, Friday and Saturday from 8:00 a.m. – 1:00 p.m.; Tuesday and Thursday from 8:00 a.m. – 6:30 p.m. Phone 724-852- 1624 for an appointment. Find us on the web at rumbaughbacknaction.com

WASHINGTON HEALTH SYSTEM
Greene

About our Improvements

Over the last two years, WHS Greene has made significant improvements to our facility, technology and patient care procedures. We've invested over \$4 million to make improvements to the physical facility in the form of renovations, new furniture and safety improvements and more. We've also adopted new technology like brand new MRI, Electronic Health Records, electronic test results and virtual visits. WHS Greene also has expanded service offerings like UPMC Telestroke, outpatient pulmonary, oncology, wound care, as well as foot and ankle care. We're also working on integrating an efficient new online scheduling and self-check-in system.

WHS Greene will continue to make changes to provide great patient care to the residents of Greene County.

ACUTE CARE

We've made numerous improvements to our acute care unit, all with the goal of making patients more comfortable and providing an environment conducive to healing. These changes include all private rooms, new beds and furniture for the safety and comfort of our patients and their families. We've also made safety improvements with the addition of new cardiac monitors, medication safety devices and communication boards for our team to continually update patients and their family members.
