## 32nd ANNUAL CHAMBER OF COMMERCE SCHOLARSHIP APPLICATIONS NOW AVAILABLE

The chamber is now accepting applications from graduating seniors for our 32nd Annual Chamber of Commerce Scholarship they will award this May in the amount of \$1,500. Our scholarship program is open to any Greene County resident who will be a graduating high school senior in 2022. The chamber urges all high school seniors who have been accepted to a College or Technical School as an incoming freshman this Fall and have maintained a cumulative grade point average of 3.0 or better while in high school to apply for this scholarship. Applicants will be required to write an essay and furnish a completed application and letter of acceptance. Applications are available to be printed directly from the Chamber website at [www.greenechamber.org](http://www.greenechamber.org) or by emailing [melody@greenechamber.org](mailto:melody@greenechamber.org). The top scoring applicants may be interviewed by a panel of judges as part of the application process. Completed applications must be submitted no later than Thursday, April 14th. The winner will be announced in early May. For more information, please contact the chamber office at 724-627- 5926 or email to [melody@greenechamber.org](mailto:melody@greenechamber.org) .

# College & Technical School Scholarship Information Program

*Hosted by: The Community Foundation of Greene County & The Greene County Memorial Hospital Foundation*

**Thursday, February 17, 2022 at 6:00pm**

**at the EQT REC Center  
400 EverGreene Drive, Waynesburg, PA**

The program is open to all Greene County students and their parents, particularly for graduating high school seniors, to learn about local scholarship opportunities. Information will be available for students graduating from all five school districts, the GCCTC, as well as private schools and home school programs.

Other individuals/organizations will present on additional scholarships available to Greene County residents. Call the CFGC office at 724-627-2010 or email [cfgcpa@gmail.com](mailto:cfgcpa@gmail.com) for more information.

## Members in the Spotlight

Hot Mops Cleaning Inc. started in the Spring of 2019 with Jacki Cupples as the owner. The business currently has 8 employees, is located in Carmichaels, PA and services Greene County and surrounding areas but will travel for big jobs.

"I was a single mom for a number of years before I met my husband, Jimi Cupples who is the Team Lead in our Realty/ Demo department. I always cleaned on the side for extra income. Eventually, more and more people started asking me to clean their homes. So from that, I insured myself and started a cleaning company....and here we are today. We currently clean almost 60 homes routinely, clean 9 businesses routinely, and do about 75 deep cleans per year. And we are looking to grow!"

They offer residential and commercial routine cleanings, deep cleaning, move in/out cleanings, small demo jobs, and full house cleanouts (move out all furniture and belongings in a real estate property). They are also insured and bonded. In 2020, they came in 2nd place for the Observer-Reporter's Best of the Best contest, and came in 1st place in 2021. They hope to continue this for years to come.

## Members in the Spotlight

Our member Lippencott Alpacas, Lena Galing, was featured by the PA Farm Show and this is what they had to say about her!

#PAFS2022? Alpaca my bags!

There are plenty of fun animals to visit at the 106th #PAFarmShow. A unique and versatile animal you can catch are the alpacas. #DYK alpaca fleece can be used for a multitude of things including yarn, dryer balls, and even toys!

We met with the alpaca guru herself, Lena Galing. This alpaca loving lady has been breeding and creating alpaca materials for years. Galing also serves on the board of the PA Alpaca Owners and Breeders Association, an organization aimed towards the

membership of alpaca owners and the promotion of essential alpaca care information.

Galing expresses a strong passion for educating others about the agriculture and alpaca industries by promoting the many ways alpaca fibers can be used.

“Visit your local alpaca farm.

Visit the PA Alpaca Owners and Breeders Association website. Visit with an alpaca owner at Farm Show,” said Galing. “There is always an opportunity to learn.”

This year, you can visit Galing and her alpacas as an AgExplorer Station at #PAFS2022. She can be found giving alpaca fun facts and coloring pages to young visitors, and is often brushing, knitting, or even spinning alpaca fibers.

Vesta Mine Services  
Vesta keeps safety in *mine* and  
Values Mining Safely

*Open Interviews*

# Pennsylvania Free Enterprise Week

## Creating our next great workforce!

As your partner in supporting local business, we know how difficult it is to find and keep great employees. Many of our young people lack the knowledge and skills you need, or they leave to pursue opportunities because they simply don't know about the great local jobs available right here, right now. That's why we support **Pennsylvania Free Enterprise Week (PFEW)**. PFEW is a youth development program like no other. It teaches high school students about business and our American free enterprise system and helps them develop job ready skills like leadership, communication, work ethic, finance, marketing and more that prepare them for great careers right here at home.

Offered by the Foundation for Free Enterprise Education (FFEE), PFEW holds multiple week-long summer sessions for rising high school juniors and seniors on the campuses of Lycoming College and the Pennsylvania College of Technology in Williamsport.

PFEW made a triumphant return to in-person learning in 2021, educating 1,139 students statewide. This summer, they plan to welcome 1,600 eager students to Williamsport for the 43rd year of this award-winning program. Students attend on a fully tax-deductible \$625 sponsorship donated by a business, foundation, organization or individual. FFEE is an approved Educational Improvement Organization through the PA Educational Improvement Tax Credit (EITC) program. I encourage you to provide PFEW sponsorships for our local students and, if possible, volunteers for the sessions.

FFEE offers two other impactful programs that prepare students for the 21st century workforce. The Stock Market Game™ (SMG) teaches students in grades 4-12 about investing and financial literacy, and the Speaker Series helps students explore careers and develop the knowledge and skills needed to become great employees. All Foundation programs are singularly focused on promoting the ideals of business and the American free enterprise system and preparing our young people to become great business and community leaders. To learn more about PFEW or their other educational programs, please visit the Foundation's website, [www.pfew.org](http://www.pfew.org), or

contact Scott Lee, vice president of marketing & development for the [Foundation](http://www.pfew.org) for Free Enterprise Education at (814) 833-9576 ext. 8, or [scott@pfew.org](mailto:scott@pfew.org).

## REINFORCING THE NEED FOR A SOLID BENEFIT PROGRAM

Events over the past couple years has caused many employees to reconsider their priorities when it comes to choosing benefits. Employers who have offered traditional benefit packages until recently are finding they may no longer be the employer of choice with an outdated benefit portfolio that doesn't meet the evolving needs of their workers. Losing key talent is a risk few businesses can endure.

A good, solid employer sponsored medical program is still a chief concern for employees. At the same time, however, as a result of a heightened awareness of medical and financial needs due to pandemic-related factors, employees have sought to round out their coverage with benefits such as:

- Income protection (short- and long- term disability coverage)
- Critical Illness programs
- Hospital Indemnity programs
- Mental Health benefits
- Financial Wellness benefit programs

Adding these programs is neither expensive nor difficult. And for employers concerned about the impact on their operating budget, an effective solution to accommodate this shift in benefit focus without incurring additional cost is through a voluntary benefits package.

It's no easy task to continually accommodate shifting employee benefit needs while staying within budgetary restraints, but the employer who does so will not only win the loyalty of their employees, but better position themselves as an employer of choice going forward.

The Greene County Chamber of Commerce offers its members access to My Benefit Advisor as a solution for employee benefits, including voluntary offerings. For more information about My Benefit Advisor, visit our website at [greene.mybenefitadvisor.com](http://greene.mybenefitadvisor.com) or contact Mike Galardini at (800) 377-3539.

# GREENE COUNTY COMMUNITY **BLOOD DRIVE**

IN HONOR OF

## **AL DEYNZER**

SPONSORED BY

**THE GREENE COUNTY FARM BUREAU**

Al Deynzer was one of the original members of the Greene County Farm Bureau and was instrumental in making the organization what it is today. Over the years, he served as Government Relations Director, President, and Membership Chair. With his engaging personality and dedication to the rural community, Al was able to greatly increase membership in GCFB. He was also actively involved in his church, St. George's Episcopal Church in Waynesburg. Al is sadly missed by the local community and the Greene County Farm Bureau family.
