## WANB Moving To 105.1 ■

Faithful listeners of WANB Radio will have most likely heard that effective in early March, WANB will move from 103.1 to 105.1. The change will not affect the familiar country format or the on air personalities. WANB will remain the same, just be located a few numbers up on the dial. 103.1 will become a classic rock station in mid-March that will serve a large portion of southwestern Pennsylvania.
