## Bring Your Marketing to the Next Level

On March 30th, thirty-one guests enjoyed a luncheon training seminar on how to increase the marketing of their business. The training was a coordinated effort between the University of Pittsburgh Small Business Development Center and the Waynesburg Area Chamber of Commerce. Speakers were Lindsey Biddle of the University of Pittsburgh and Alan Laick of Laick Design.

## Polar Bear Challenge

The Fayette Chamber of Commerce recently hosted their first "Polar Bear Challenge" at Nemaocolin Woodlands Resort. The Waynesburg Chamber was represented by a foursome made of up Alan Laick of Laick Design, Chamber President, Athena Bowman of Waynesburg Borough, Board Member, Melody Longstreth, Director of the Chamber and Brian Longstreth of Wendy's, Chamber Member. The team competed against ten other teams in four events – Snow Golf (yes there was snow!), a Paintball target shoot, a Group Ski Race and a Bowling Tournament. And at the end of a very cold, snowy, nasty but fun day, the Waynesburg Chamber Team was crowned as the silver medalists! We hope to partner with the Fayette Chamber next March and are encouraging Waynesburg Chamber members to think about coming up with some teams to join in the fun.

## ChamberChoice Portfolio Expands

Chambers of Commerce Service Corporation (CCSC), managed by JRG Advisors, LLC, announced the expansion of ChamberChoice, CCSC's suite of products and services – a business insurance program that gives chamber members the opportunity to earn a dividend.

Make safety profitable in business, and business owners will make business safe. That is the idea behind the business insurance program through ChamberChoice and its partner Penn National Insurance. All chamber members are eligible for the dividend program, subject to individual risk characteristics, loss experience, and current underwriting guidelines. The program offers members a full range of property and casualty insurance, as well as the opportunity to earn a dividend depending on group premium volume and claims experience. Eligible lines include Businessowners, Property, Package Policies, Commercial Auto, General Liability, Inland Marine, and Workers' Compensation.

In addition, through safety consulting, Penn National Insurance and local independent insurance agencies encourage member businesses to develop safety practices to substantially reduce or eliminate workplace injuries.

All Chamber members are eligible to participate in ChamberChoice programs.
