## “American Pickers”

*Mike Wolfe and Frank Fritz are coming to SWPA.*

The History Channel hit series, “American Pickers”, plan to return to Pennsylvania for filming in the summer of 2016. The documentary series explores the fascinating world of antique ‘picking’. The hit show follows Mike Wolfe and Frank Fritz, two of the most skilled pickers in the business, as they hunt for America’s most valuable antiques. As they hit the back roads from coast to coast, Mike and Frank continue their mission to recycle America by rescuing forgotten relics and giving them a new lease on life, while learning a thing or two about American history along the way. American Pickers is looking for leads and would like your help in finding buried treasure to explore. They are on the hunt for characters with interesting and unique items. Some of what they look for: vintage bicycles, toys, unusual radios, movie memorabilia, advertising, military items, folk art, early firefighting equipment, vintage musical equipment, automotive items and clothing. They are always excited to find things they’ve never seen before and learn the story behind it. If you or someone you know has a large private collection send them your name, phone number, location and description of the collection with photos to: [americanpickers@cinemax.com](mailto:americanpickers@cinemax.com) or call 855-old-rust
