Greene County Day At Kennywood

Greene County Day at Kennywood Park was co-sponsored by the Chamber, WANB Radio and Williams. Williams sponsored the community picnic and underwrote the cost of the bus transportation this year making it free to ride the buses to and from Kennywood! In addition they purchased a bus full of tickets that were donated to needy families to attend this County-wide tradition. Fireworks closed the evening as guests made their way back to the main gate.

American Judo-Hapkido Inst to Host Global Conference

Grandmaster John Beluschak of American Judo-Hapkido Inst has announced that the Waynesburg location has been selected to host the 4th Annual Global Hapkido Conference on August 6 and 7. This event is sponsored by the "Sinmoo Legacy Group" and has been previously held in San Francisco and Las Vegas. This year's event was scheduled to be held on the East coast and will feature seminars highlighting the techniques, philosophies and history. Grandmaster Beluschak is very proud that Waynesburg was chosen for this year's event and he feels that this is an opportunity to showcase the beauty and hospitality that Greene County has to offer. The event is expected to be sold out with students, Masters and Grandmasters in the art of Hapkido from all over the country.

Southwest Regional Medical Center Raises Flag for Donor Awareness

Southwest Regional Medical Center, in conjunction with The Center for Organ Recovery and Education (CORE), recently raised a flag in commemoration of Organ Donor Awareness Month. The flag symbolizes the hospital's commitment to Donate Life America and Flags Across America initiative. This initiative has a mission to educate Americans about donation and the need for more designated donors.

Nationally, over 100,000 people are awaiting an organ transplant; at least 18 will die each day without receiving one, including two from CORE's area, which includes parts of western Pennsylvania, West Virginia and a portion of New York. At the five organ transplant hospitals served by CORE, approximately 4,000 people await organ transplantation, while thousands more are in need of tissue or corneal transplants.

From left: Tim and Renee Basiorka with Addison, age 15 months who had a heart transplant at 2 weeks of age; Morgan Yoney, double lung and liver transplant recipient; Tom Vislay, CORE Representative; Leigh Scherich, Chief Nursing Officer, Southwest Regional Medical Center.

Annual Golf Outing

The Annual Golf Outing was held in May at Rohanna's Golf Course. This event is always a great time full of networking, good food, prizes and fun! The weather was beautiful and we managed to get in a nice day without any rain which was quite a feat for the month of May this year! Twenty-Nine teams participated in this benefit event which helps the Chamber keep it's doors open. We thank everyone who participated and wish to extend a special thank you to Randy Rohanna from Rohanna's Golf Course for all his help each year.

Congratulations to the team from Rolling Meadows who came in as our first place team. Second place went to Greene County Industrial Development Corporation, third went to Behm's Funeral Home and third to Bell's Wholesale.
