Chamber Embraces Streetscape Construction

During the North side of High Street's "Streetscape Construction", the Chamber office will be supporting the project by a few fun activities in the office. First, the staff will dress in construction gear for the duration of the project. Secondly, there will be a prize drawing at the end of the project for a special gift. To enter, you simply must visit the office during the North side construction. The staff hopes that downtown merchants and offices will support the project and remain positive during the disruption. The South side of the project was completed in four weeks and it is the hope that the North side will go as quickly. In the end, the project will benefit the downtown and make Waynesburg a more beautiful place to shop and work.

Burns Orthodontics Opens Office in Downtown

Member, Burns Orthodontics, recently opened its doors as the newest downtown business. Located at 157 East High in a newly remodeled office, Dr. Nikia Burns and her staff will serve all ages for their orthodontic needs. Chamber members were invited to a "Meet and Eat" last month to tour the facility and meet the staff.

Where Is Worker Wayne?

Worker, Wayne, wearing his yellow hard hat and overalls, is just 14 inches tall and hiding somewhere in the downtown.

Throughout the Streetscape Project, you are encouraged to hunt for Wayne in any participating business or office. Wayne will be visiting a different location every week throughout the streetscape project. We are hoping that the search for Wayne will bring folks into the downtown during the construction. One lucky winner each week who finds Wayne will be rewarded with a \$25 cash prize donated by the downtown merchants and Waynesburg Prosperous & Beautiful.

Here's how to play: Visit the downtown and search for Wayne. Once you've found him, ask for an entry form and deposit it in the collection box at that location. On Friday of each week, one winner will be drawn from all entries received that week. The winner will be contacted by phone and will receive a \$25 cash prize. Worker Wayne will then move to a new location in the downtown for the following week and the search will begin again. You are eligible to win multiple times during the project. So visit the downtown during the Streetscape Project, you might just become \$25 richer.
