Sign Up For The 2006 Member To Member Discount Program!

It is time once again to begin the organization of the 2006 Member to Member Discount Program.

This program, exclusively for Waynesburg Chamber members, is aimed at creating an awareness of the value of doing business in our community and with other Chamber members. Members are encouraged to offer savings to their fellow Chamber members to encourage business between members. Savings can be added to the program at any time through out the year and can run for a set period of time. Special updates will be published as needed and included in the newsletter reminding members of the special savings being offered. In addition, the discounts are listed on the Chamber website. If you are interested in offering a special discount to fellow Chamber members, please contact the office at 724-627-5926. What you decide to offer and the length of time the sale is good is entirely up to you. What have you got to lose? You'll attract fellow members to your business and in turn, you'll be attracted to theirs!

Steeler Ticket Raffle

The Fund Raising Committee organized a “Steeler Ticket Raffle” which was awarded based on the Pennsylvania Evening Daily Number on Saturday, November 19th. The lucky winner was “Debbie Diamond” of Community Bank. She received two Steeler tickets to the December 11th game against Chicago donated by The Observer-Reporter. In addition a limo ride to and from the game donated by Lewis Limousine, a Steeler Jersey donated by The Locker Room and a \$40 dinner gift certificate from Rohanna's Restaurant. The tickets were donated by Rhodes and Hammers Printing. The winning ticket was sold by Connie Grimes of Community Bank.

Thanks

Thanks to Waynesburg Borough for providing a parking space for the Chamber for 2006 and helping to move a file cabinet for us.

Thanks to Jeff Widdup of First Federal Savings and Loan for loaning the Chamber office a fax machine to replace our old and tired machine.

February is American Heart Month

Did you know that heart disease is the number one killer of Greene County residents? According to the American Heart Association, recognizing the signs of a heart attack and seeking treatment as quickly as possible can help minimize long term damage. Signs that you may be having a heart attack include chest discomfort, discomfort in other areas of the upper body, shortness of breath, nausea or light-headedness.

“When experiencing symptoms, of any kind, it is imperative to seek treatment at the closest place possible,” shares Dr. Michael Owens, medical director of the emergency department. “At Southwest Regional we have the ability to quickly treat and stabilize patients. Every second has a significant impact on the outcome for the patient.”

Southwest Regional Medical Center's emergency department has also been recognized by Genentech, a world leading biotech company, for their ability to treat patients with chest pain. Southwest Regional's average door to EKG time for chest pain patients is less than five minutes.

Anyone interested in learning more about the signs of a heart attack and how to prevent them are invited to attend a presentation by Dr. Praful Vora, Department of Cardiology, on February 21 at 2:30 in the second floor Guestman Room. Please call (724)627-2623 for more information.
