Thank You PCSquared!

A special thank you goes out to Pcsquared who recently helped the office move into 2007 with two new computer systems. Our old system was fast approaching ten years old and was on it's last legs. The software was so old, that it would not communicate with anything else. So the past few weeks has been devoted to establishing new files, learning Microsoft Office, etc. Yes, they were so old that they did not have Office on them! But thanks to everyone who worked on this project - it is wonderful to not sit and watch that little hourglass spin all day!

Chamber Chatter Articles and Inserts

We always welcome your news articles and press releases concerning your business. Photos are also encouraged. There is no charge for articles and photos to be included. Inserts may be placed in the newsletter at a cost of \$65 per issue. 300 inserts must be provided and folded to 4 1/4 x 5 1/2 inches to fit inside the newsletter. Effective January 1, 2007, tri-fold brochures will no longer be accepted as inserts. There is a \$20 charge for material provided unfolded. A non-profit insert rate is available at \$32.50 per issue. Please submit all material for the Chamber newsletter by the 1st business day of each month for the month in which you would like it published or inserted. Questions may be directed to the office at 724-627-5926.
