To provide services and programs that will increase the success of member businesses and organizations and enhance the economy and quality of life in the Waynesburg Area. To remain a politically unbiased and enthusiastic resource to our members and the community at large.

President's Letter

Hat's off to John Glass & the Golf Committee for the success of our Annual Golf Outing. The Golf Outing was held on Friday, May 16. Lindsay Blair and the committee did an outstanding job of getting sponsors and prizes. The Chamber would like to thank all of the participating sponsors that helped make the golf outing a huge success. The rain held off and even the losing team had a great time!

Melody continues to pursue her mission of obtaining new chamber members. The membership continues to grow as we are just 1 member away from our 2003 goal of 300.

Here we are again with the Rain Day Pageant just around the corner. To date we have 15 contestants that have entered the Pageant. This years theme is "Let Freedom Rain". How appropriate!

On May 28 at the Monthly Membership Meeting, I had the privilege of awarding our 2003 Educational Scholarship to Miss Patti Jo Jaiyeola from Jefferson Morgan High School. Patti Jo also served as Salutarian for her graduating class. She plans on attending Washington University in St Louis and majoring in Biology/Pre-Medicine. Our congratulations go to her and our Best Wishes on her future endeavors.

I hope to see all of you at our June Membership Meeting!!

Sincerely,
 Sheila Elliott Barger

Director's Note

The 2003 Golf Outing was a great success!! The weather participated (after a week of my crossed fingers and toes) and all involved seemed to have a great time. The response to the sponsorships and door prize donation requests was incredible. The event will certainly go down on record as our most successful one yet. I was honored to once again work with event chair John Glass and our committee. "The Breakfast Club," as we have been named, always had a great time over breakfast but also managed to get some serious work done. Thanks to everyone who contributed in any way.

 Executive Director

Champions Of Older Workers

The Pennsylvania Hall of Fame of Champions of Older Workers is accepting nomination of employers in the Waynesburg and Greene County area as part of a statewide search to acknowledge employers who have made special efforts to hire and accommodate workers of age 55 and older. Employers may represent large or small businesses as well as public or private non-profit agencies. Each nominee receives a certificate of appreciation and recognition during National Employ the Older Worker Week September 21-27, 2003. These employers are entered in a statewide competition. A Special Thanks

"I'd like to publicly thank Kevin Morris, owner of Morris Signs, for helping me to design, create and install the sign on my building, Victoria Square. It took a long time to get it installed only because of 1) the weather and 2) we weren't pleased with the outcome at first and we weren't going to install it until it was exactly what we wanted, which it is now. I'd also like to thank Kevin's assistant, Emory, for helping to install the sign, even in the rain. I'm extremely pleased with the sign and would highly recommend Kevin to anyone looking to have a sign made."
