The Greene County Chamber of Commerce Signed a Coalition to Support the PA Chamber's Childcare Proposal

The Greene County Chamber of Commerce signed a coalition to support the PA Chamber's proposal of childcare reforms to boost workforce and economy.

Our chamber signed onto this coalition in 2024, but the project completion regarding the proposal making it into the state's 2025-26 budget did not occur until February of this year.

Over 60 local chambers across the commonwealth signed on to request that the state allocate fifty-five million of the budget towards childcare. Three thousand unfilled childcare jobs will no longer be vacant, with the goal of better wages, professional development, and quality resources to positively impact the turnover rate.

The PA Chamber President and CEO Luke Bernstein stated in late February following the states approval, "Growing our economy starts with removing barriers for people to enter, stay in, or re-enter the workforce- and access to high-quality, affordable childcare is a critical part of that equation. We need a comprehensive plan to support this industry, including to tackle staffing shortages, reduce costs, and mitigate regulatory and administrative challenges." Bernstein further continued by saying, "There's no silver bullet solution, and funding proposals are only part of the discussion, but by working with businesses, childcare providers, and advocates, the PA Chamber is advancing reforms and recommendations that will strengthen our childcare industry, thereby supporting working families across Pennsylvania."

This would approval would not only alleviate the strain currently on the childcare industry within the commonwealth, but our state as a whole as childcare providers would not be the reason for industry shortages overall.

You're invited to the 11th Annual 'Great Energy Gathering' (GGXI) on Wed, March 19th 2025, the largest business networking reception in Western PA. Join the Pittsburgh Business Exchange (PBEX), the PA Chamber of Business and Industry, and 38+ other powerhouse organizations as we join forces for this energy-themed collaboration.

Registrations will close after 1,000 registrants.

Ticket are \$37 per person. If someone waits until the day of the actual event to register (suggesting they are not sold out at that time), the late ticket pricing for members of any partnering organization will go up significantly to \$95. That will also be the ticket fee at the door for walk-ups and non-members at the door.

Register [HERE](#) for you ticket(s)! Be sure to select Greene County Chamber of Commerce as a partnering member as well as in the fee section as a "member in good standing".
